Our Picks!

The interface shows a grid of six book cards arranged in two rows of three. Each card features a small thumbnail image of a city skyline at night, followed by the text "Book Title". In the top row, the third card from the left has a white rectangular callout box above it containing the text "Has a blinking animation". In the bottom row, the second card from the left is highlighted with a yellow rectangular border, and a white callout box to its right contains the text "Contains a link to the PDF file of the book chosen/clicked. Hover leaves a highlight effect.".

The diagram illustrates a contact form with the following components and validation messages:

- Name:** Adrine Adoni. A validation message indicates "Must have 7 characters (minimum) with at least 1 letter".
- Username:** adrlnemarieee
- Email:** adonis@gmail.com. A validation message states "invalid without the '@'". Suggested email addresses are listed: .123@email.com, ice@email.com, and iry@email.com.
- Note to the Team:** Page looks great! Ni. An optional note field with no limit.
- Contact Details:** Nowhere St., City 0000.
- Social Media:** Buttons for Facebook (f), Instagram (ig), and Twitter (t). A callout notes they direct to social media platforms of the team.
- Submit Button:** Changes color to light green when clicked. The form also resets when this button is clicked.

A callout for the "localhost says:" message points to the validation message: "'Email or username already exists. Please redo the form.'". Another callout for the "but Us" message points to the validation message: "Pops up errors or alerts from backend validation. For example, this popup alert is flashed when the username entered by the user already exists in the database."
